Summary: Mikako's out of the school with her friends. Okay, that  
story's over. Let's go see another mutual killing! Udududududu...  
(Kind of Troll I dont even know SYOC closed!)

## 1. A beginning

Mikako Sanada looked at the wall of monitors, still shivering from the cold room she had checked earlier. 16 monitors. Each working steadily. They surrounded a much bigger monitor with camera footage.

Mikako smiled sadly, playing with the sleeves of her official Future Foundation uniform.

"A-are you ready, Onee-San?"

"Yeah, Uke. I am. Everyone? Kyoko's instructions are clear to all of you?"

"Yes, Mikako." Gory replied.

"Yah" Ninja said.

"Yep! Al redy!" Kiyomi smiled.

"..." Tomato's silence was perceived as a yes.

"Alright then. All systems go."

### 3. Introductions

I can't feel anything.

Oh, that sounds like the first line of a Yandere simulator or  
something. Not too bad of an idea.

\* \* \*

><p><strong>Minato Shimizu<strong>

**\*\*Ultimate Tsundere\*\***

\* \* \*

><p>Don't worry, I won't start thinking the word "BAKA!" every 5

seconds. And I'm not the love-struck kind. I love no one romantically.<p>

It's just that every time I speak...I end up being a Tsundere. I'm the kind that acts like a jerk but turns out to be rather nice, I guess. However, inside, I suppose I am blank. If I had to describe myself as a dere type, I'd be a Kuudere. Cold. Aloof. No emotions... Ultimate Kuudere minus the sweet side perhaps would be a more fitting title. I can control my body and words only when I'm alone or around a certain other person.

Am I broken? I don't know.

Wow, this is really sounding like I'm the protagonist of a Yandere Simulator.

Ha.

Perhaps I should say more about myself.

I'm a girl, for starters.

I look like your typical Tsundere. School girl uniform with ridiculously unrealistic short skirt. Tall sky blue stockings, almost thigh highs, with white and dark blue polka dots.

I have bright purple hair, tied in two very tsundere-like twintails, with bright pink small hair ribbons on each side. I for some unfathomable reason have heterochromia in a weird pastel blue and yellow. Odd. Perhaps it's genetic.

And that's all you need to really know. But I guess I should say what's going on.

I am a student of the 64th Class of Despair's Drop Academy. Knock-off Hope's Peak, they say. They're probably right. This is my very first day.

I suppose I have to go inside.

\* \* \*

><p>What...<p>

Where am I?

"Are you okay?"

\* \* \*

><p>When I walked inside the school, I blacked out. I woke up in front of a classroom, surrounded by 15 other people. We were only there for a few minutes when a pink bunnybear thing jumped out and introduced herself as Rejectimi. Then, the walls fell over and we were on an island. Rejectimi said some things. Then I blacked out.

\* \* \*

><p>My eyes open slowly. Sun in my face. Warm sand. Salty smell.<p>

It's the beach. I don't like the beach much. I prefer rain. It's cooler.

Why am I at the beach?

I sit up cautiously.

"B-baka! Could have actually, you know, woken me up?!" Tsundere behaviors activate. "What kind of baka just leaves a person unconscious on the ground?! Baka! A-and now my hair's full of sand!"

I say baka a lot.

"I'm sorry!" The voice replies.

I sit up to see a rather lean young man, with a normal-leaning-on-fair skin tone, not exceptionally well-built in terms of muscle, but still rather athletic. He had kind of a youthful face, with opalescent eyes (eyes with flecks of color in them). He had jet-black hair with some dyed-white highlights " it was slightly messy and ruffled, but otherwise rather neat and straight, flowing down to the back of his neck. He wore a white jacket over white shirt over white pants and white socks/sneakers.

Silence. Awkward silence, I suppose.

Finally I stand.

"W-well, you could have at least helped me up!"

"Sorry, again, really!"

Once again, uncomfortable silence.

"A-are you just gonna stand there?!"

"You're...You're not going to mollycoddle me like everyone else? Oh my various gods, my prayers have been answered. Thank you very much, person-chan, I really REALLY appreciate it!"

"B-Baka! Wh-What does it matter anyways? Wh-why would anyone think you're some sort of saint? Baka!"

Why is this person so pleased to not be complimented? Perhaps" maybe I'm actually curious.

"I need to introduce myself! I'm Kaede!"

\* \* \*

><p><strong>Kaede Mimura<strong>

\*\*Ultimate Cinnamon Roll\*\*

\* \* \*

><p>"Nice to meet you" N-not that I'm saying it's nice! I'm just being polite! Um" Baka!"<p>

\_(Oblivious to her inner thoughts, Kaede secretly whooped. Here she was, the beacon of hope to his unrelenting nightmare. Someone who wouldn't make a huge fuss about how he was a pure cinnamon roll that did not need to be loved and protected over. Generic high-school romance, here he comes! So yeah. He's totally in love with her.)\_

Suddenly something in the waistband of my skirt beeped. My phone. I don't keep my phone there. I wear a backpack. But I suppose since I don't have a backpack. But then again, I don't recall ever putting away my backpack.

Luckily tsundere me is curious, and I look. The e-handbook, like Rejectimi said.

There is a notification by the "profiles" section. I click on it. There are 16 squares. 14 are blacked out, but two are represented by small pictures of Kaede's and my face. I unlocked a student profile, apparently.

"Why don't we go and meet everyone else, Minato-Chan?"

"W-we? Who said it was gonna be we? B-but, fine, I'll go with you. Not because I want to, but because I don't want to be left alone! Baka!"

"Okay!"

\* \* \*

><p>Our first stop is the airport. There's nothing special. Planes. Stuff. It's empty, save for a few people. Two, to be exact. Then, a girl rushes over.<p>

She had curly black hair with hot pink and dark blue streaks that went to the small of her back, her right eye was green while the left was blue, she had tanned skin, and a strong build. She wore black glasses, an unzipped black leather jacket, and a short-sleeved grey shirt depicting the monopoly man behind bars, a light blue miniskirt, white ankle socks, and dark green sneakers.

"Oh, good! Someone normal!" She said with a distinctive Texan accent. American student.

"Wh-who are you?!" I demand loudly. Too loudly.

"I'm Ashley Baker! Nice to meet y'all!"

\* \* \*

><p><strong>Ashley Baker<strong>

\*\*Ultimate Board Gamer\*\*

\* \* \*

><p>"Nice to meet you too! I'm Kaede, and this is Minato." Kaede smiles. "What did you mean by 'Someone normal'?"<p>

"That fellow over there is driving me crazy!"

"Who?" Kaede and I turned to seeâ€œOh my god.

><p> "€| What? " Kaede blinks.<p>

"Swagbear? What kinda baka name is that?!" I snap.

I will be honest. The name is kind of ridiculous.

"#YOLO #BEST NAME EVA #HEIR TO SWAGMASTER #U LUK LIK SUM1 I NO"  
Swagbear yells.

"Well, it's nice to meet you! I'm Kaede, and this is Minato!"

"I-I can introduce myself. I mean, I don't want to, but you act like I c-can't talk! Baka!" I say to Kaede.

Ashley looks at me strangely.

"â€¦Let's just move on, Minato-Chan."

\* \* \*

><p>The next location is a supermarket. We have supplies and food. It seems very big, too. Even if it doesn't restock, I believe there are only 16 of us. We may take a while to eat through everything.<p>

I wonder how long we'll be here.

There are two people.

The first was a male my age, who I guess I could say was handsome. He had somewhat silky, somewhat spiky chin-length white hair with red streaks, with bangs that fell into his eyes. He had deep blue eyes with golden flecks. He had fingerless gloves, with added metal knuckles and spikes around the wrists. He wore a long black trench coat over a tight dark gray T-shirt; black jeans with a spiked black leather belt and black combat boots with silver spikes around the ankles. He wore a cape with the words 'Hoenn League Champion' on it, dyed it black and ripped up.

I think the trench coat and cape together looks kind of odd.

He looked right in my direction and then smirked.

Oh. A playboy. I may look nice, but I never cared for relationships. At least Kaede had the decency to not hit on me.

"Nice to meet you." He slings an arm around my shoulder. "The name's AJ."

"Fuck off, Baka!" I practically threw his arm off.

I'll admit. That was pretty cool. And she did what I wanted, sort of.

"Fiesty one." He grinned. I'm sure if Kaede wasn't a cinnamon roll, he would be glaring daggers at AJ.

"I'm Kaede, and this is Minato, and if you may excuse usâ€¦?" Kaede casually took my wrist and pulled me away, not that I minded. AJ was kind of annoying me. We went over to aâ€¦TV screen?

No, wait, it's moving. That's not weird at all.

Kaede blinked.

"Minato-Chan, did that just move?"

"Duh, of course it did, baka!"

We approached it. It turned its screen to face us.

"You're in good hands with Allstate." It said.

My e-handbook beeped. This is a student. Kaede must have noticed that too, because he started getting confused.

I wasn't going to argue with that.

\* \* \*

><p>We made our way to a really nice hotel. A pool, cottages, many buildings, and a main building. I rather liked it. Very fancy.<p>

Usually I'm never impressed.

"Wow, Minato-Chan! Will we be staying here?" Kaede smiled.

"W-what do you think? Baka!"

We run into a girl. A very small one. Were those cookies at her feet...?

She had glowing blue floor length hair tied into pigtails in the middle of her hair with brown bows stained with what looks like blood. She had a cookie eyepatch over her right eye and bangs that covered the other. Her eyes were brown with black specks. She has angel wings that were really tiny and seemingly useless. She was really short (like a dumpster). She wore a cookie costume with a utility belt filled with cookies, milk and torture devices. She had high heeled boots with straps and glitter and crumbs and stuff and black fingerless gloves with claws.

"MwahahahahahahahaIlikecookiesMwahahahah"

"MwahahahahahYouarenotworthyofmycookiesMwahahahah" She walked away. Leaving a trail of cookies.

What a mess.

Kaede and I head over to the another student.

His hair was light blond with red highlights in his hair. His narrow eyes were blue. His skin was incredibly pale and sparkled strangely in the sunlight. Under his right eye was a beauty mark. I will admit he was attractive, but probably a vampire. He wore a black shirt with silver stripes which was undone down to the middle of his chest. He had a black belt over black skinny jeans. Over his shoulders was a black cape and on his head was a silver crown with a red jewel on top. His boots went up to his knees and were black with silver markings.

"Nice to meet you! I'm Kaede and this is Minato. Who are you?"

"Darianâ€|.Prince." He looked at Kaede. "What is this feeling in my kokoro...!?"

Oh.

He's gay.

Kaede blinked. "Thank you, but no thank you."

"No homo." Darian added.

><p>i doubt he really means 'no homo.'

"Uhâ€|let's just go meet the other person." Kaede said slowly. He took my arm and practically ran.

The other person was a little older than us. Very young adult, maybe.

He had amber eyes and shiny orange slicked back hair. He also had a monocle and a ridiculously large mustache that shined in the light. He wore a pink suit with white gloves and shoes. He also had a neon necktie that blinked the words "STACHE" every few seconds.

"My name is Theodore Stache and yes, my mustache is fabulous and yes it is also shining. Do you want to touch it?"

"No, thank you. I'm Kaede and this is Minato."

\* \* \*

><p>I looked at my e-handbook. Is he here because of his mustache? Despair's Drop must have awful standards. Kaede says goodbye and we head inside the hotel.<p>

"So what do you think of our classmates so far?" He asks.

Scary.

"F-fineâ€¦.not like you care. Baka."

We went over to aâ€¦oh. Woman.

She had pale skin, white shoulder-length, red eyes, white bunny ears, and big red lips. She had rather largeâ€¦boobsâ€¦ She wore aâ€¦

Oh.

A Playboy bunny suit.

"Ooooh myyy...How cute...Fufufu!" She mused, looking over at Kaede. Well. Am I the only one that isn't falling for Kaede's cinnamon roll persona?

Kaede is awkwardly silent. I assume feels very uncomfortable.

She then turned to look at me. Is she staring at myâ€¦assets?

"Hello you baka, our eyes are up here! Ugh!" She looked up in my face. "I'm Minato and this is Kaede, and you better stop being a baka this instant!"

"Wellâ€¦.Ufufufuâ€¦.I'm Bunnie."

Kaede and I turned away before we got too uncomfortable and went to the other person.

This girl was also extremely short like Rurururu. She had shoulder-length transparent hair with rainbow glitter on it with two side buns. She had huge droopy cotton candy pink eyes with shiny rainbow glitter reflections. She had pure white skin covered in rainbow glitter freckles. She wore a galaxy colored sailor fuku and a white asymmetrical skirt with the longer part that is so long it trails on the floor. She also had thigh-lengths socks which are covered by rainbow glitter. She didn't wear shoes, in fact her feet were covered with cotton candy and rainbow glitters. She had a huuuuge messenger bag that is 2 times her height, filled with rainbow glitter

"Hiyaaaaaaaa. Watashi wa Marie-Glitta desu. I'm very honored to meet you, fellow student-sama desu."

That wasn't very pleasant.

"Nice to meet you! I'm Kaede and this is Minato." Kaede smiled, then we went up the stairwell. We took a minute to clean the glitter off. It was a lot.

We arrived in the hotel restaurant, stocked with food. Lots of food.

And students.

2, to be precise.

One was a woman, perched in a window , snoring softly. She was pale and has green eyes. She also had really long blonde hair. She wore a tabby cat onesie and a collar that said Mr. Kitty on it. Even though she was female.

"Um, hello?"

"Mrowr?"

Kaede definitely wasn't expecting this.

"Meow."

"Okay..."

"C'mon baka! L-let's just go talk to the other person! W-why are you trying to talk to...a furry?!"

She had long, wavy, raven black hair with silver highlights, and with a light peach color skin. She had eyes that were plain gray. She had a veryâ€|good figure. She had a left, half-metal arm. She wore a white plain dress and a name tag that said "hello I'm totes not a robut LOL", and white heels.

"yo im & its nyce 2 meet u. Hashtag: notreally, hashtag: LOL, hashtag: IDontNeedASenpai, hashtag: MakeJapanGreatAgain."

She said all those hashtags aloud.

><p>Also, her voice is kind of like mine, when I'm not being a tsundere. A kuudere. Blank.<p>

I don't really care.

"Nice to meet youâ€|? I'm Kaede and this is Minato-Chan." Kaede and I walked away. Ayaka had nothing else to say.

"Let's keep looking around the island." He suggested. I shrugged and we went to a place labeled "Rejectimi Corral."

Two people were there.

One was a male with messy shoulder-length white hair and light grey-green eyes. He was rather pale. He wore a long dark green coat that went down past his knees and had a jagged-cut tail. His coat had red squares on his right shoulder, and a large red number '55' on the back. He wears a plain white shirt with a strange red symbol on it. His pants were typical black jeans, and had a long chain that attached from the back to the front of them with a small skull charm attached to it. Each of his brown shoes had two zippers.

Only one odd thing. He had a literal zipper on his forehead.

"Hi there. I'm Kaede, and this is Minato-Chan."

"... I'm Nagito Komaeda. Nice to meet you."

Well. I assume he's normal. At least he speaks properly.

\* \* \*

"What are your talents that got you here? Mine's fairly worthless...luck isn't much. But you two, what do you have?"

"I'm the ultimate...Cinnamon Roll." Kaede attempts to smile.

"...It's not like it matters! A-at least yours is somewhat interesting! I'm the ultimate...Tsundere, okay?! Baka!"

Nagito makes a thoughtful sound, then stares into space. I guess he's thinking. We move onto our next classmate.

Well, actually, where is he? I'm sure my map said there were two

hereâ€|

And then we find him.

><p><strong>Tomato<strong>

\*\*Ultimate Tomato\*\*

\* \* \*

><p>Ultimate Tomato? First a television...now a Tomato.<p>

Actually, it isn't even a Tomato.

It's a pineapple painted red.

But I guess I'll have to call him Tomato, because that's what Tsundere is saying.

\* \* \*

><p>Kaede and I make our way to another island. The 'Central Island.'  
At the park, there is only one person.<p>

An old lady.

She was very short, with an extremely wrinkled face. Her hair was short and disheveled, dyed blue. She had brown eyes that are closed most of the time. Her nose was reminiscent of a witch's. She had very small reading glasses, a white dressing gown, tiger-striped fur coat, and black shoes with small heels. She had two walking sticks.

Well.

My classmates were stranger. There was a Pineapple/Tomato, I suppose.

"Greetings, this woman is the one and only Lady Womanfred Hung. As pleased to meet you as you are to meet her. She'll use her old years of life experience to be as much of assistance as she can!"

\* \* \*

><p><strong>Womanfred Hung<strong>

\*\*Ultimate Rebellious Granny\*\*

\* \* \*

><p>"It's very nice to meet you. My name is Kaede, and this is Minato." Lady Hung turned to look at me expectantly. Oh, dear, is she expecting me to say something? Offending an elder is rude, though I don't really care, she may. Tsudnere, please remain polite.<p>

"Ew! Wh-what is a baka old lady doing here? What the hell!? Baka! What kind of baka puts an ugly ass old lady in the school?!"

Damn it, tsundere.

"Lady Hung can't process how such an overbearing, shoehorned, flabbergasted minotaur cub dares to talk to her in such an erratic disposition!" The old lady scowled.

Kaede slowly backed away, my arm in tow.

\* \* \*

><p><em>Ding, ding, ding, ding!<em>

"Eh? What was that?"

"I-I don't know! Wh-why are you asking me?!"

"Good job introducing each other! Please head to the beach, please!" Rejectimi cheers on the TV monitor the dinging came from. It shuts off.

\* \* \*

><p><strong>Oh my Arceus, that was a really long introductory chapter!<strong>

\*\*But, we met all of our cast.\*\*

\*\*Question time!\*\*

\*\*1. Who do you like?\*\*

\*\*2. Who do you dislike?\*\*

\*\*3. Who made the biggest impression on you?\*\*

#### 4. Survival System

\*\*I'm going to explain something.\*\*

\*\*Remeber DISTRUST? The original concept for Dangan Ronpa?\*\*

\*\*I'm going to have something simillar to that. I call it "The survival system."\*\*

\*\*The more you earn "survival" points for a character, the more likely they will survive. Earn enough points, and your character is very likely to survive. Minato-Chan is the only one to have a guaranteed survival that cannot change.\*\*

\*\*Meaning that who lives and who dies is up to you guys. And luck.\*\*

\*\*Characters can also lose points. The more points lost, the more likely they'll die. They can drop from a guaranteed survival to a likely survival if they lose enough.\*\*

\*\*I'll base murders and victims around these points. I know they won't make any sense, but I can get away with stupid motives because they're ridiculous characters!\*\*

\_(**The randomizer is when, at the time for the murder, I will spin a wheel. Whoever gets chosen gets rewarded/loses points.**)

\* \* \*

<p><span><strong>Gaining points:<strong>

\_Having a freetime event- **3\*\*\*\* points**\_

\_Every vote they get in the FTE polls- **1/2 point each**\_

\_Being involved in the chosen special event- **1\*\*\*\* point**\_

\_From the randomizer- **2 points** \_

\_Your most liked and disliked characters that I asked for in the introductory chapter - **1 point per like**\_

\* \* \*

<p><span><strong>Losing Points<strong>

\_Your most liked and disliked characters that I asked for in the introductory chapter - **Lose \*\*\*\*1 point per dislike** \_

\_From the randomizer- **Lose 2 points**\_

\* \* \*

<p><strong>There's also one more secret factor that will allow for the gain or loss of points that I won't say to prevent you guys from taking advantage of it. Udududududu!<strong>

**I'm aware that may mean the genders of the surviving characters won't be even. That's okay. No big deal.**

**Good luck guys. I'll be keeping track of points, but I won't tell you the point standings at all. Remember that.**

**The reason I chose to use a system is because, last time, I used a spinner. That just wasn't as fun and I didn't really like coming up with reasons for spinner death. But here, I can put blame on Minato-Chan for not befriending them enough Muahahahahaha.**

**I'm relying on honesty for this to work, so please do your best to make this fun!**

## 5. The killing begins

**Okies now for the good stuff**

**Udududududududu!**

**I kinda wrote this in the middle of science class so it may not be as great as I wanted it to be.**

><p>Swimsuits.<p>

I never liked swimming much. I consider myself a modest person.

And yet, tsundere grabs a school swimsuit with a couple of the others.

I don't see the point.

After changing, we run into the water and the sand.

Cold. Salty. I don't understand what's so wonderful about the ocean. Tsundere has a splash fight with Kaede and Ashley, screaming "Baka!" Every time the water splashes us. Which is a lot.

It's okay, I guess.

Then there's storm clouds.

Rainbow ones...

Strange, I suppose.

"Nonononononono!" Rejectimi starts panicking.

The monitor by the beach turns on. A shadow of an unidentifiable figure appears.

"Head to the park in the central island, please! Ududududdu!"

The monitor shuts off.

"Everyone, stay calm! Go change and head to the park! Remember, love, love!" Rejectimi disappears.

"Let's just do what Rejectimi said." Kaede says slowly. I guess his cinnamon roll powers must control people, because everyone actually agrees. They all run off. I shove Kaede ahead, then take a minute to calm down and be myself. Alone. Sometimes thinking out loud clears my mind. And sanity.

"Should i be worried? I don't believe so. But Rejectimi seems concerned. Strange..."

"Minto-Sama desu! We have to hurry!' Marie-Glitta yells.

"I-I'm going! Baka!"

\* \* \*

><p>We arrive at the park after changing. Rejectimi stands there, looking strangely serious.<p>

"What d'you think is goin' on, y'all?" Ashley asks.

"SWAG .exe" Swagbear replies.

"I din't ask you, you testosterone-filled bull." Ashley says.

"SWEEEEEEEG MLG "

"Can one of y'all give me a real answer?" Ashley asks again.

"Jake from State Farm." Ad says.

"MwahahahahahaNOMwahahahahah" Rurururu laughs.

"Darkrai." AJ replies coolly.

"I bet someone wants to see my fabulous shiny mustache!" Theodore declares.

"hashtag nu." Ayaka says robotically.

Ashley put her head in her hands.

\* \* \*

><p>Bunny. Bear. Dinosaur. Monochrome color palette.<p>

"I...am Mono-Reject!"

"Don't say another word, meanie!" Rejectimi [oints her staff.

"Another word. Boop!" Mono-Reject takes out a control and presses a button.

And then a strange 4-headed creature devours Rejectimi.

Oh. Well.

"What is this abomination of a creature? Lady Hung does not approve, and has never seen a being such as that in one of her numerous voyages around the globe."

"I call it a Reject-beast!' Mono-Reject grins maniacally.

"The snack that smiles back. Goldfish." Ad says.

"Advertisements? Now?" Mono-Reject grumbles.

"What do you want from us?' Kaede asks nervously.

"Killing! Stabby stabby! A nice, wholesome mutual killing! udududududu!"

"What do you mean mutual killing? Baka!" I yell.

\* \* \*

><p>"And on the conclusion of that explanation in the line break, I bid thee farewell!" mono-Reject disappears.<p>

"Ufufufufu...How strange..." Bunnie croons.

"Meow." Ms. Kitty says.

"None of us would kill each other." Darian says this while sparkling

magically.

The pineapple/tomato has nothing to say, of course.

Nagito is completely silent.

"L-Let's sleep this off. That baka bear can't do a-anything!" I yell loudly. Everyone walks to the hotel. Except Kaede.

"Are you worried, Minato-Chan?"

I have to think for a minute. I don't doubt killing among regular people. But...we are Despair's Drop. Our insanity could be safer, or we could end up killing even more. Some are harmless, such as Kaede and Lady Hung. But some have brains, such as Ashley and even AJ. Some could kill out of insanity, like Swagbear.

It's not like I ever worried about anything. Ever. It's not in my nature to care or feel much.

To be brief, I don't know if I should be worried. Logically, I should. But I'm not.

I'm not...

I realize that I've been silent for too long as Kaede is waving a hand in front of my face.

"I-I'm not worried! O-okay? Baka!" Tsundere yells the first thing she can. She then takes off.

And I'm just there.

><p><strong>First FTE poll is up! I've upped the vote limit to three rather than two, just cuz. <strong>
